ONE MORE FROM EASTON.

Park's New Pitcher Given a Very Brisk Reception.

Easton was never within hailing distance of "one more" in the game at the park yesterday afternoon. It was such an easy walkover for the home club that the game became very tiresome.

Manager Park's new pitcher, a boy named Allan, from Philadelphia, arrived in the city at 1.30 yesterday afternoon, and was put in to pitch. He is a south-paw twirler, with some good curve and a fair amount of speed, and will probably develop into a clever pitcher. He was very much excited yesterday and did not do himself justice.

To add to his woes the team behind him played an exceedingly rugged game. Second Baseman Delaney particularly distinguishing himself by errors that would have disgraced an amateur.

Hodson was a great stumbling block for Park's men. They could not gauge him with any degree of certainty at all. During the six innings he was in the box only three singles and a triple were secured by Easton.

TWO RUNS IN THE FIRST. Easton's first batsman, Wiatt, opened up with a single and Dunn went to first after being struck by a pitched ball. A wild pitch followed, advancing the men a base each, and on Delaney's single both men scored.

Manager Swift decided to save Hodson's pitching arm and relieved him in the seventh inning. It was Swift's first appearance in the box this season and he was greeted with cheers as he went on the field. In the three innings he pitched he struck out three men, gave two bases on balls and was found for a single and a double. The hits were made in the ninth, allowing a run to be scored.

"Our Pets" did some terrific slugging all through the game. Base hit followed base hit in rapid succession until the spectators began to wonder if the game would ever come to an end. In the last few innings the members of the home made no effort to steal bases, allowing themselves to be thrown out every time they attempted to gain a base. In the first inning six runs were scored, in the second, one; fifth, six; seventh, two, and eighth, one. It was an awful day for the visitors.

CLINTS FROM THE DIAMOND. Maybe the air wasn't filled with leather yesterday afternoon.

Indian had the sympathy of the audience. He was heartily cheered every time he went to bat.

The Little Potatoes Hard to Pool Defeat of the Scranton stars by a score of 29 to 4, on the High School grounds.

Manager Parks was a disgusted man last night. It was his opinion that Indian will not do as a State league pitcher.

The Young Americans of the South Side college play club, under 17 years of age, answer through Tom Tammie. John McCracken, manager.

The West Side Stars challenge the Tenth Street Stars to a game of base ball Saturday afternoon at 4.45 o'clock, on the Little Wood's grounds. Louis Davies, manager; Will Hughes, captain.

The collegians in charge of the Yale-Princeton game to be played on Saturday have decided that the contest should take place at Eastern park, Brooklyn. The game will be called at 12.45 o'clock.

The Boston Base Ball Association has been refused permission to erect a wooden grandstand on its grounds on the Little Wood's grounds. A brick building will cost 40 per cent. more than one of wood.

Chicago has come forward with an offer for Hogan, Scranton's center fielder, whose batting and fielding make him the idol of his team. Scranton will not sell Hogan for any sum now, but his release will be upon the market toward the end of July.—Pittsburg Chronicle-Telegraph.

A VERY HAPPY PASTOR

Both He and His Good Wife Are Now Rejoicing.

BUT SUFFERED ONCE

One of the Most Thankful and Sincere Letters Ever Written By Any Man.

In the famous fight off Chaperon the Alabama fired a shell which entered the rudderpost of the Kenarage—and stuck there.

If that shell had exploded, the engagement would have had a different ending.

That was Providence in the shape of a bad fuse.

"In our case," writes a clergyman who possesses the rare art of putting things "in our case Providence appeared in a pamphlet tucked under a string."

"It was in this strange way" he continued, "that we first learned of Paskola, that has since done such wonders for my wife and myself. We have taken only \$4.50 worth—less than one visit from our physician—yet it has accomplished what no doctors' prescriptions or patent medicines have ever done."

For twenty-five years I have suffered untold miseries from a disordered stomach. For years I have had to abstain from meats, but after only one day's use of Paskola I have eaten meat, or any other food, my appetite craved, with no ill results.

"In regard to my wife I hardly know how to write. It certainly appears like a miracle. Months passed with her most miserably. She had no appetite. So reduced in flesh and vitality was she that we were looking for nothing short of a speedy death."

"But Providence intervened in the shape of a little pamphlet tucked under the string of a package brought from a neighboring town."

"I tucked it on the table with the remark, 'Here, wife, is something to cure your life and give you an appetite.'"

"She read it and said to me, 'I have faith to believe if I had that Paskola it would cure me.'"

"The next mail carried an order for a bottle. The next day brought the bottle, and she took the first dose. Just a few weeks ago a doctor who could eat a hearty meal of anything she craved—Something she had not done for months."

"I regret that we did not weigh ourselves before we began to take Paskola; but the truth is that I had no great faith in it—so many things had failed. But you have our lasting gratitude."

"I have already indicated a few people to give you Paskola a trial. When the shall have done so I will gladly notify you of the results."

"Hoping under God that what I have thus hastily written may benefit others I remain yours truly,"
